

PET CARE

Thursday, February 20 is National Love Your Pet Day. Treats and long walks are great ways to show your pets you love them, but have you thought about what kind of cleaning products you are using that they can be exposed to?!

Why not switch to cleaning supplies that are naturally-derived, non-toxic, and contain no harsh chemicals?!

Let's start using Art of Green® cleaners because they are safe to use around your pets.

Art of Green® was named a 2020 Product of the Year in the green cleaning category, chosen by 40,000 consumers.*

*Winner of Green Cleaning Category. Survey of 40,000 people by Kantar.

Prevent the Mess

- ▶ **PAWS**
Leave a towel or pet rag by the doors to wipe dirty paws before entering. Consider getting cleaning door mat at the door too.
- ▶ **HAIR**
Brush, brush, brush.

Floor Cleaning

- ▶ **ODOR**
Get rid of odor by adding ¼ cup (2 fl oz) Art of Green Concentrated Multisurface Cleaner per gallon of water to clean tile and wood floors and leave them smelling like new.
- ▶ **MESSES**
Use the Art of Green wipes to clean up potty messes.

Pet Accessories Care

- ▶ **CRATE OR CAGE**
Spray the Art of Green Multisurface Spray Cleaner 6-8 inches from crate base, wait a few minutes, then wipe away or rinse with water.
- ▶ **BEDS**
machine wash beds and pillows every few months.
- ▶ **TOYS**
Cleaning up pet toys is a breeze with Art of Green Cleaning Wipes - simply wipe down plastic toys then rinse with water.
- ▶ **BOWLS**
Wash water and food bowls in the dishwasher every month.
- ▶ **LEASHES AND COLLARS**
Wipe down monthly with Art of Green Cleaning Wipes.
